**TO: THE HONORABLE ROBERT D. DRAIN
UNITED STATES BANKRUPTCY JUDGE**

Pursuant to sections 328(a) and 1103 of title 11 of the United States Code (the “Bankruptcy Code”) and Rules 2014, 2016 and 5002 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), Jefferies & Company, Inc. (“Jefferies”), investment banker for the Official Committee of Unsecured Creditors (the “Committee”), appointed in the chapter 11 cases of Delphi Corporation, et al. (the “Debtors”), hereby submits its second interim application (the “Application”), for the allowance of compensation for professional services performed by Jefferies for the period commencing February 1, 2006 through and including May 31, 2006 (the “Compensation Period”), and reimbursement of its actual and necessary expenses incurred during the Compensation Period. In support of this Application, Jefferies respectfully represents as follows:

BACKGROUND

1. On October 8, 2005, the Debtors filed with the Court voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors have since continued to operate their businesses and manage their properties pursuant to sections 1107 and 1108 of the Bankruptcy Code.

2. The following members were originally appointed to the Committee: (a) Capital Research and Management Company; (b) Electronic Data Systems Corp.; (c) Flextronics International Asia-Pacific, Ltd.; (d) Freescale Semiconductor, Inc.; (e) General Electric Company; (f) IUE-CWA and (g) Wilmington Trust Company, as Indenture Trustee. Flextronics International Asia-Pacific, Ltd., has since resigned from the Committee and has been replaced with Tyco Electronics Corporation. In addition, the Pension Benefit Guaranty Corporation and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America (the “UAW”) have been added as *ex officio* members of the Committee.

3. On October 18, 2005, the Committee selected Jefferies to serve as its investment banker. Jefferies immediately began work on behalf of the Committee, participating in meetings and conference calls, and conducting analyses in consultation with the Debtors, their financial advisors, as well as with the Debtors’ and the Committee’s counsel.

4. On February 17, 2006, the Court approved Jefferies’ retention on an interim basis, effective as of October 18, 2005.

**SUMMARY OF PROFESSIONAL COMPENSATION
AND REIMBURSEMENT OF EXPENSES REQUESTED**

5. To the extent applicable, this Application has been prepared in accordance with the Guidelines and Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases adopted by the Court on June 20, 1991, and April 19, 1995 respectively (together, the “Local Guidelines”), the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses, adopted on January 30, 1996 (the “UST Guidelines”) and this Court’s “Order Establishing Procedures For Interim Compensation And Reimbursement Of Expenses Of Professionals (Docket Entry No. 869)” (the “Administrative Order,” and collectively with the Local Guidelines and UST Guidelines, the “Guidelines”). Pursuant to the

Guidelines, a certification regarding compliance with such Guidelines is attached hereto as Exhibit “A.”

6. Jefferies seeks interim allowance of compensation for professional services rendered to the Committee during the Compensation Period in the amount of \$700,000.00, and reimbursement of expenses incurred in connection with the rendition of such services in the amount of \$61,446.36.

7. During the Compensation Period, Jefferies provided the Debtors, Debtors’ counsel, the United States Trustee, counsel to the Committee, counsel for the agent under the Debtors’ prepetition credit facility, counsel for the agent under the Debtors’ post-petition credit facility and members of any committee appointed in these cases for the purpose of reviewing fees and expenses with monthly fee statements for professional services rendered and expenses incurred on behalf of the Committee. In each such statement, Jefferies requested that the Debtors pay it 80% of its fees and 100% of its costs and disbursements. As of the date hereof, Jefferies has been paid 80% of its fees and 100% of its costs and disbursements billed to the Debtors for services performed by Jefferies for the following months of the Compensation Period: February, March, and April. By this Application, Jefferies requests the release of the 20% holdback of the professional fees incurred during the Compensation Period.

8. The fees charged by Jefferies during the Compensation Period have been billed in accordance with this Court’s order approving Jefferies’ retention. The fees that Jefferies is charging for the services rendered by its professionals in these chapter 11 cases are comparable to those fees charged by Jefferies for professional services rendered in comparable non-bankruptcy related matters. Such fees are reasonable based on the customary compensation charged by similarly skilled practitioners in comparable non-bankruptcy cases in the competitive national financial advisory market. Annexed hereto as Exhibit “B” is a schedule specifying categories of expenses for which

Jefferies is seeking reimbursement and the total amount of expenses requested in each such expense category.

9. Pursuant to the UST Guidelines, annexed hereto as Exhibit “C” is a schedule setting forth all Jefferies professionals and personnel who have performed services in these chapter 11 cases during the Compensation Period, the capacities in which each such individual is employed by Jefferies and the aggregate number of hours expended by each such individual in these matters.

10. Pursuant to applicable Guidelines, a summary of Jefferies’ time records, by project category, for the Compensation Period is annexed hereto as Exhibit “D.”

11. There is no agreement or understanding between Jefferies and any other person, other than members of the firm, for the sharing of compensation to be received for services rendered in these cases.

12. To the extent that fees or expenses were incurred by the Committee during the Compensation Period but were not processed by Jefferies prior to the preparation of this Application, Jefferies hereby reserves the right to request approval of such fees and expenses in future applications.

JEFFERIES’ ACTIVITIES ON BEHALF OF THE COMMITTEE TO DATE

13. Jefferies provided a wide variety of investment banking, financial and restructuring advisory services for the Committee during the Compensation Period.

Performance of Due Diligence

14. In order to best understand and evaluate the Debtors’ business, strategy, prospects and assets, Jefferies performed significant due diligence on the Debtors. As part of its due diligence, Jefferies participated in several meetings between the Debtors and their professionals, including FTI Consulting, Rothschild, and Skadden, Arps, Slate, Meagher & Flom. These meetings were based on Jefferies’ request and review of voluminous material regarding the Debtors’ operations,

assets, financials and employees. Jefferies has spent a large part of its diligence efforts with the view towards advising the Committee as to the Debtors' prospects and alternatives as a going concern.

15. In connection with Jefferies' due diligence of the Debtors, Jefferies has analyzed financial and valuation metrics related to the automotive industry. This included attending conferences, reviewing and analyzing performance metrics, evaluating trading of industry related securities, and analyzing merger and acquisition transactions within the industry. Additionally, Jefferies has monitored historical and current industry bankruptcy cases.

16. The due diligence efforts performed by Jefferies are essential in helping the Committee formulate a view of appropriate restructuring alternatives for the Debtors. In addition, based upon the work performed to date, Jefferies has continually updated the Committee with various presentations regarding the status and conclusions reached.

Financial and Industry Analysis

17. Jefferies' activities in this project area included working with the Committee and other creditors to understand, evaluate and comment on the Debtors' business and review financial projections related to the Debtors' proposed "Transformation" plan. As part of its activities, Jefferies considered all of the information gathered during due diligence activities and used such information, as well as proprietary information available within Jefferies to provide advice to the Committee regarding the Debtors' current positioning. Additionally, Jefferies reviewed the Debtors' monthly operating reports ("MOR"), quarterly and annual financial reports, and any other financial information that was relevant to the Debtors' operations. Additional Jefferies activities included, responding to questions by the Committee regarding specific issues related to the Debtors' financial operations.

Financial Analysis Connected with the 1113 / 1114 Motion

18. Jefferies' activities in this project area included extensive review of the Debtors' labor agreements with affiliated labor unions and related benefit plans, including pension and other

postretirement benefits (“OPEB”) obligations. Additionally, Jefferies reviewed labor related agreements between the Debtors’ and General Motors (“GM”) and materials related to subsequent negotiations between the parties. Jefferies also reviewed the Debtors’ actuarial, financial, and operating assumptions with respect its proposed “Transformation” plan. These due diligence activities were used to evaluate the impact of wage, benefit, and labor force reductions contemplated under the 1113 / 1114 Motion. Jefferies also completed a variety of analyses evaluating specific aspects of the 1113 / 1114 Motion, which were prepared on a request basis by Sub-committee of the Committee.

19. Additionally, in connection with the 1113 / 1114 Motion, the Debtors implemented an attrition program. Jefferies’ activities included review of the attrition program termsheets and actuarial assumptions supporting the program. Furthermore, Jefferies conducted due diligence with the Debtors’ financial advisors regarding the terms of the attrition program and related financial analyses provided to the Committee. These due diligence activities were used to evaluate the impact of labor force reductions expected to result from the implementation of the attrition program.

Financial Analysis Connected with the Debtors’ Asset Dispositions

20. As part of the Debtors’ proposed “Transformation” plan several sale processes have been implemented. Jefferies has worked closely with Rothschild to evaluate each of these sale processes as well as evaluate alternative strategies to ensure value is being maximized to all stakeholders. Jefferies has evaluated the sale processes, associated contracts, initial and final indications of interest, and coordinated meetings with the Debtors’ appropriate business groups. In addition to coordinating meetings with the Debtors’ business groups, Jefferies has also held extensive diligence sessions with the Debtors’ business development team. For several asset sale processes, the Debtors have retained financial advisors other than Rothschild. For example, for the MobileAria sale process, the Debtors retained Pagemill Partners, a middle-market investment banking firm. In those circumstances, we have coordinated diligence sessions with those parties.

Committee Meetings and Discussions

21. During the Compensation Period, the Committee regularly held conference calls or email discussions regarding issues relating to the Debtors' cases. Jefferies' professionals participated in such Committee meetings or email discussions, providing recommendations and advice with respect to a number of business and financial issues, as well as updates on conversations, activities and negotiations with the Debtors that were ongoing. These meetings provided a forum for Committee members to exchange ideas and raise questions concerning matters of concern to unsecured creditors. The meetings also provided a forum for Jefferies to communicate the findings of its various due diligence activities and to update the Committee on the Debtors' financial performance.

Communications with Non-Committee Creditors

22. Throughout the period, Jefferies conducted numerous conversations with holders of the Debtors' bonds and other unsecured creditors that do not serve on the Committee. Jefferies communicated with these parties on behalf of the Committee any publicly disclosed developments and responded to concerns about reported developments in these cases. Jefferies also worked with the Committee to apprise the Debtors' advisors of these inquiries and concerns.

Communications with the Debtors, Other Parties-in-Interest and Non-Committee Professionals

23. Jefferies' activities in this project area included assisting the Committee in preparing for and participating in meetings, negotiations and proceedings with the Debtors. This project category also includes Jefferies' attendance and participation in due diligence and strategy sessions with the Debtors, including, in particular, conversations with the other parties-in-interest. Jefferies also participated in meetings and telephone conferences with Committee members to discuss the status of the Debtors' cases and future steps to be taken during the restructuring process.

Case Administration

24. Jefferies' activities in this project area included preparing Jefferies' retention application for final approval by the Court. This project also includes the preparation of Jefferies' fee applications, general and administrative tasks such as billing and related communications, as well as other day to day operations that do not fall into other project areas.

JEFFERIES' FEES ARE REASONABLE

25. The professional services performed by Jefferies were in the best interest of the Committee and other parties-in-interest. The compensation requested by Jefferies for the foregoing services is commensurate with the complexity, importance and nature of the problems, issues and tasks involved. These professional services were performed with expedition and in an efficient manner.

26. The professional services performed by Jefferies on behalf of the Committee during the Compensation Period required an aggregate expenditure of at least 2,427.5 hours by Jefferies' professionals and personnel.

27. Jefferies' compensation is not based on hourly rates. However, Jefferies' fees are reasonable based upon the customary compensation charged by similarly skilled practitioners in comparable bankruptcy cases in the competitive national financial advisory market.

ACTUAL AND NECESSARY DISBURSEMENTS OF JEFFERIES

28. As set forth in Exhibit "B" hereto, Jefferies expended \$61,446.36 in out-of-pocket expenses while providing professional services during the Compensation Period. These charges are intended to cover Jefferies' direct operating costs related to this engagement, which costs are not incorporated into Jefferies' aggregate fees.

29. The time constraints imposed by the circumstances of these cases have required Jefferies' professionals and other employees at times to devote time during the evenings and on weekends, as well as travel time to the performance of financial advisory services on behalf of the

Committee. These extraordinary services were essential to meet deadlines, to respond in a timely fashion to daily inquiries from equity holders and other parties-in-interest, and to satisfy the demands of the Committee. While Jefferies has not charged the Debtors for any overtime expenses, professionals and other employees of Jefferies who worked late into the evenings or on weekends were reimbursed for their reasonable meal costs and their cost for transportation from the office to home. Jefferies' regular practice is not to include these types of charges in overhead when establishing fees and to charge its clients for these and all other out-of-pocket disbursements incurred during the regular course of the rendition of services. Jefferies believes that the expense reimbursement amounts requested in this Application do not exceed those permissible under the Guidelines.

NOTICE

30. Notice of this Application has been provided to: (i) the Debtors; (ii) Counsel to the Debtors; (iii) Counsel to the Official Committee of Unsecured Creditors; (iv) the United States Trustee for the Southern District of New York; and (v) all other parties entitled to notice. Jefferies submits that no other or further notice need be provided.

MEMORANDUM OF LAW

31. No novel issue of law is raised herein. Jefferies requests that this Court deem the contents of this Application to be sufficient for the purposes of satisfying the memorandum of law requirement in Rule 9013-1(b) of the Local Rules for the United States Bankruptcy Court for the Southern District of New York.

CONCLUSION

WHEREFORE, Jefferies respectfully requests that this Court enter an order: (i) granting interim allowance of all fees and expenses requested in this Application totaling \$761,446.36, representing \$700,000.00 in fees and \$61,446.36 in actual and necessary expenses incurred by Jefferies on behalf of the Committee during the Compensation Period; (ii) authorizing payment by the Debtors

of all fees and expenses requested in the Application; and (iii) granting such other and further relief as is just and proper.
